

Welcome Guide

Welcome to YowPay.

In this quick guide you will be guided in the different steps to use YowPay

- 1) Verify your email**
- 2) Verify your mobile**
- 3) Enroll your business account with Openbanking**

General **Banking data** Transactions E-Commerce Security

Add bank account

Account holder

IBAN

Following the instructions, you will be redirected to your bank on which you need to confirm the authorization to access the transactions

The confirmation can take some few minutes to arrive on YowPay.

- 4) Create your Commerce (web site or point of sales)**

General Banking data Transactions **E-Commerce** Security

Add web site

Version 1.1

Add an e-commerce site

Name

Site URL

Add Cancel

5) Setup web site to accept YowPay payments (in case of web site)

Click on the registered web site

There are 3 possible integrations

- 1) Using a static link, for example for defined list of product and services

Amount

Currency

Euro

Order Id (optional)

Language (optional)

Select language

Create **Generate payment link** Cancel

Create will generate 1 transaction

Generate payment link will generate link to put on the web site for a defined product or service

The link generated has the following format :

<https://yowpay.com/transaction/create?amount=100¤cy=EUR&orderId=&language=en&token=XXXX×tamp=1675451135&hash=YYY>

Each time a client is clicking it is generating a new transaction with a different reference.

- 2) Using an E-Commerce module provided by YowPay or a 3rd party

Follow the instructions of the module, it is needed to insert in the module configuration the credential generated

!!! Generating new Secret Key will requires to import them again in the E-Commerce module !!!

3) Custom Integration

Follow the instructions of the Hosted Page Manual, it is needed to use the credential generated also.

6) ***Your commerce will be manually reviewed***

Prior to create any transactions Yowpay Compliance will review your commerce and my request information about your business. For any question please contact support@yowpay.com
